Mr. Miles T. Bradshaw
Senior Assistant General Counsel
Houston Independent School District
3830 Richmond Avenue
Houston, Texas 77027-5838

OR2001-4880

Dear Mr. Bradshaw:

You ask whether certain information is subject to required public disclosure under chapter 552 of the Government Code. Your request was assigned ID# 153901.

The Houston Independent School District (the "school district") received a request for "[d]ocuments detailing criminal background checks done on all current HISD Charter School employees." You claim that the requested information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the five pages of information you submitted to this office Bates stamped 00000-00004 as a representative sample of the information at issue.¹

Section 552.101 excepts from disclosure "information deemed confidential by law, either constitutional, statutory, or by judicial decision." This section encompasses information protected by other statutes. Federal regulations prohibit the release of CHRI maintained in state and local CHRI systems to the general public. *See* 28 C.F.R. § 20.21(c)(1) ("Use of criminal history record information disseminated to noncriminal justice agencies shall be limited to the purpose for which it was given."), (2) ("No agency or individual shall confirm

¹We assume that the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent that those records contain substantially different types of information than that submitted to this office.

the existence or nonexistence of criminal history record information to any person or agency that would not be eligible to receive the information itself.”). Section 411.083 provides that any CHRI maintained by the Department of Public Safety (“DPS”) is confidential. Gov’t Code § 411.083(a). Similarly, CHRI obtained from the DPS pursuant to statute is also confidential and may only be disclosed in very limited instances. *Id.* § 411.084; *see also id.* § 411.087 (restrictions on disclosure of CHRI obtained from DPS also apply to CHRI obtained from other criminal justice agencies). Therefore, as the submissions you have Bates stamped 00003 and 00004 fall within the ambit of these state and federal regulations, you must withhold the CHRI from the requestor based on section 552.101.

Section 552.101 also excepts information protected from public disclosure by the common law right of privacy under section 552.101. To be so protected, the information must meet the criteria set out in *Industrial Foundation v. Texas Industrial Accident Board*, 540 S.W.2d 668 (Tex. 1976), *cert. denied*, 430 U.S. 931 (1977). In *Industrial Foundation*, the Texas Supreme Court stated that information is excepted from disclosure if (1) the information contains highly intimate or embarrassing facts the release of which would be highly objectionable to a reasonable person and (2) the information is not of legitimate concern to the public. 540 S.W.2d at 685. Where an individual’s criminal history information has been compiled by a governmental entity, the information takes on a character that implicates the individual’s right to privacy. *See United States Dep’t of Justice v. Reporters Comm. for Freedom of the Press*, 489 U.S. 749 (1989). In this instance, a portion of the information concerns a certain person and is a compilation of that person’s criminal history. Therefore, we believe that the individual’s right to privacy would be implicated by the public release of the information. Thus, we conclude that you must withhold this information under common law privacy as encompassed by section 552.101 of the Government Code. *See id.* We have marked the private information.

The information Bates stamped 00000 and 00001, authorization forms completed by an applicant to allow the school district to obtain access to police records, contain driver’s license numbers and social security numbers. Section 552.117 excepts from disclosure, among other things, the social security numbers of current or former officials or employees of a governmental body who request that this information be kept confidential under section 552.024. Whether information is protected by section 552.117 must be determined at the time the request for it is made. *See Open Records Decision No. 530 at 5* (1989). Therefore, the school district may only withhold information under section 552.117 on behalf of current or former officials or employees who made a request for confidentiality under section 552.024 prior to the date on which the request for this information was made. For those employees who timely elected to keep their personal information confidential, the school district must withhold the employees’ social security numbers. The school district may not withhold this information under section 552.117 for those employees who did not make a timely election to keep the information confidential.

Social security numbers may be withheld in some circumstances under section 552.101 of the Government Code. A social security number or "related record" may be excepted from disclosure under section 552.101 in conjunction with the 1990 amendments to the federal Social Security Act, 42 U.S.C. § 405(c)(2)(C)(viii)(I). *See* Open Records Decision No. 622 (1994). These amendments make confidential social security numbers and related records that are obtained and maintained by a state agency or political subdivision of the state pursuant to any provision of law enacted on or after October 1, 1990. *See id.* We have no basis for concluding that any of the social security numbers in the file are confidential under section 405(c)(2)(C)(viii)(I), and therefore excepted from public disclosure under section 552.101 on the basis of that federal provision. We caution, however, that section 552.352 of the Public Information Act imposes criminal penalties for the release of confidential information. Prior to releasing any social security number information, you should ensure that no such information was obtained or is maintained by the school district pursuant to any provision of law, enacted on or after October 1, 1990.

Section 552.130 provides in relevant part:

(a) Information is excepted from the requirement of Section 552.021 if the information relates to:

(1) a motor vehicle operator's or driver's license or permit issued by an agency of this state; [or]

(2) a motor vehicle title or registration issued by an agency of this state[.]

Thus, you must withhold the Texas driver's license numbers under section 552.130.

In summary, the school district must withhold the criminal history record information based on section 552.101, the driver's license numbers based on section 552.130, and the social security numbers based on section 552.117(1), if applicable, or section 552.101, if the numbers were obtained or are maintained by the school district pursuant to any provision of law, enacted on or after October 1, 1990. We have marked the documents accordingly. The school district must release the remaining information.

This letter ruling is limited to the particular records at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other records or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For example, governmental bodies are prohibited from asking the attorney general to reconsider this ruling. Gov't Code § 552.301(f). If the governmental body wants to challenge this ruling, the governmental body must appeal by filing suit in Travis County within 30 calendar days. *Id.* § 552.324(b). In order to get the

full benefit of such an appeal, the governmental body must file suit within 10 calendar days. *Id.* § 552.353(b)(3), (c). If the governmental body does not appeal this ruling and the governmental body does not comply with it, then both the requestor and the attorney general have the right to file suit against the governmental body to enforce this ruling. *Id.* § 552.321(a).

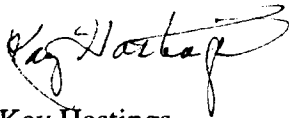

If this ruling requires the governmental body to release all or part of the requested information, the governmental body is responsible for taking the next step. Based on the statute, the attorney general expects that, within 10 calendar days of this ruling, the governmental body will do one of the following three things: 1) release the public records; 2) notify the requestor of the exact day, time, and place that copies of the records will be provided or that the records can be inspected; or 3) notify the requestor of the governmental body's intent to challenge this letter ruling in court. If the governmental body fails to do one of these three things within 10 calendar days of this ruling, then the requestor should report that failure to the attorney general's Open Government Hotline, toll free, at 877/673-6839. The requestor may also file a complaint with the district or county attorney. *Id.* § 552.3215(e).

If this ruling requires or permits the governmental body to withhold all or some of the requested information, the requestor can appeal that decision by suing the governmental body. *Id.* § 552.321(a); *Texas Department of Public Safety v. Gilbreath*, 842 S.W.2d 408, 411 (Tex. App.--Austin 1992, no writ).

Please remember that under the Act the release of information triggers certain procedures for costs and charges to the requestor. If records are released in compliance with this ruling, be sure that all charges for the information are at or below the legal amounts. Questions or complaints about over-charging must be directed to Hadassah Schloss at the General Services Commission at 512/475-2497.

If the governmental body, the requestor, or any other person has questions or comments about this ruling, they may contact our office. Although there is no statutory deadline for contacting us, the attorney general prefers to receive any comments within 10 calendar days of the date of this ruling.

Sincerely,

Kay Hastings
Assistant Attorney General
Open Records Division
